Text: *Romans 1:19-20*

Title: ***Evidence (of) or (For) or (From) God!***

Central Truth: Due to natural revelation God holds every person accountable to respond to Him.

I. **v. 19**: **The Evidence of Conscience** **(Consciousness)**

Here Paul is referring to what Theologians call:

1. **Natural Revelation** *(c.f. Psalm 19:1)*: _____

2. **Special Revelation**: _____

(c.f. Romans 2:15) God has given man an internal, moral compass called **conscience**!

Consciousness - Being made in the image of God we have the ability for introspection as well as thinking beyond or transcending ourselves. We are more than just material machines - we have souls or spirits!

II. v. 20: **The Evidence of Creation**

Paul says that we have the ability to see, to think and reason about the visible, physical creation around us. Creation testifies to us about God's existence.

Evidence of Creation:

1. **Teleological Argument for God** *(Design)*: _____

2. **Steady State Theory disproved**: _____

3. **Anthropic Principle**: _____

Three Practical Applications:

1. All people have been exposed to some knowledge of God through natural revelation. They will be judged accordingly. _____

   _____

2. More light brings greater accountability. _____

3. Church's responsibility of evangelism. _____
